

# Make It With You

Vina Morales

Hey, have you ever tried  
Really reaching out for the other side?  
I maybe climbing on rainbows  
But baby, here goes  
Dreams, they're for those who sleep  
Life is for us to keep  
And if you're wond'ring  
What this song is leading to  
I want to make it with you  
I really think that we can make it, girl  
No, you don't know me well  
'N' ev'ry little thing, only time will tell  
But you believe the things that I do  
And we'll see it through

Life can be short or long  
Love can be right or wrong  
And if I chose the one  
I'd like to help me through  
I'd like to make it with you  
I really think that we can make it, girl  
Baby, you know that dreams  
They're for those who sleep  
Life is for us to keep  
And if I chose the one  
I'd like to help me through  
I'd like to make it with you  
I really think that we can make it, girl
