

# WWIII

## Rufus Wainwright

World war three  
Between you and me  
Under sheets  
The land and the sea And everybody wants a piece of the action  
Everybody wants a piece of the action Don't bore us  
Get to the There's so much more to come  
The battle's back in the saddle  
Just turn your back and run  
Away from the guns  
Away from the guns  
World war two  
Was good for me and you  
It was won  
Despite world war one And everybody got a piece of the action  
Everybody got a piece of the action Don't bore us  
Get to the There's no more blood to run  
They're gearing up for a beating  
Just face the hills and run  
Away from the guns  
Away from the guns The times we live in are very unforgiving  
Run away, run away, run away  
The times we live in are very unforgiving  
Run away, run away, run away  
The times we live in are very unforgiving  
Run away, run away, run away  
The times we live in are very unforgiving  
Run away, run away, run away
