

# Forever

## ambassador

I may burn out like a candle and  
I may pass away  
I may fall just like a shooting star  
my heart will stay  
I'll be yours until forever,  
forever I'll be true to the promise  
I have made from the day that  
I found you  
forever yours in my heart  
even if we're apart I say, forever I'll be yours  
forever I love you  
I say, forever I'll be yours  
forever I love you  
my love will never fade away  
even if I'll die and  
I will love you until the end of time  
even without your smile So help me please I beg you  
don't walk away I need you  
just stay with me and be by my side  
take my hand and will work it out Until, I forever I'll be yours  
forever I love you  
I say, forever I'll be yours  
forever I'll be true  
my love will never fade away  
even if I'll die and  
I will love you until the end of time  
even without your smile
