

# I Hate Seagulls

Kate Nash

I hate seagulls and I hate being sick  
I hate burning my finger on the toaster and I hate nits  
I hate falling over, I hate grazing my knee  
I hate picking off the scab a little bit too early  
I hate getting toothache, I hate when it's a piss take  
I hate all the mistakes I make  
I hate rude, ignorant bastards, and I hate snobbery  
I hate anyone who if I was serving chips wouldn't talk to me  
But I have a friend with whom I like to spend  
Anytime I can find with  
I like sleeping in your bed  
I like knowing what is going on inside your head  
I like taking time and I like your mind  
And I like when your hand is in mine  
I like getting drunk on the dunes by the beach  
I like picking strawberries  
I like cream teas, and I like reading ghost stories  
And my heart skips a beat every time that we meet  
It's been a while and now your smile is almost like a memory  
But then you're back and I am fine 'cause you're with me  
And I'm in love with you  
And I can't find the words  
To make it sound unique but honestly you make me strong  
I can't believe I've found someone this kind  
I hope we carry on  
'Cause you're so nice and I'm in love with you  
Love with you  
Love with you
