

Hands Up

Big Business

Stampede, stampede Hands up, hands up, hands up
Like the people beside you, hands up
Hands up, hands up, hands up
Like the people beside you, hands up Stampede, stampede Hands up, hands up, hands up
Like the people beside you, hands up
Hands up, hands up, hands up
Like the people beside you, hands up She's got a fever, he's got a cold
Look at the family, it's still growing old
Hands up, hands up, hands up
Like the people beside you, hands up He's not prepared for this
She's not prepared for this
I'm not prepared for this
We're not prepared for this Hands up, hands up, hands up
Like the people beside you, hands up
He's got a fever, she's got a cold
Look at the family, it's still growing old Hands up, hands up, hands up
Like the people beside you, hands up He's not prepared for this
She's not prepared for this
I'm not prepared for this
We're not prepared for this Stampede, stampede
