Lost Inside You

Jon Gibson

Turn another page
Reach a higher goal
Wiser than the age
But weaker in my soul
Somewhere down this road
Iâ€™m sure thatâ€™ll Iâ€™ll be fine
Lord all within your perfect time

Rest a moment here
And wait apon his word
Faith will draw you near
And a still small voice is heard
Unto our God
Everything surrendered on the way
Willing to say

Can you find yourself in me
When I lose myself in you
Searching for your will Iâ€™m found
Lost in you

Lost in you

Walk across the stage
Stare into the light
A master of charades
Or beacon in the night
Youâ€™re trying hard
Wanting so to prove him in your call
Giving your all

Can you find yourself in me
When I lose myself in you
Searching for your will Iâ€™m found
Lost in you
Searching for your will Iâ€™m found
Lost inside of you

Can you find yourself in me
When I lose myself in you

Searching for your will Iâ€™m found
Lost inside of you.
Find yourself in me
Lose myself in you
Searching for your will
Lost inside of you
Find yourself in me
Lose myself in you
