

Love You

Jah Cure

No, no, no, no, no, no, no, no, no
No, no, no, no, no, no, no, no
Woman I love you
No, no, no, no, no, no, no, no, no
Need you girl, need
Woman I love you, need you and I
Can't live without you in my world, my world
Woman I love you, I need you and I
Can't live without you in my world, my world
When I said that I love you girl
Don't think I'm pretending
It's straight from my heart
The message I'm sending
I'm not like the rest of guys
Who hides their feeling
I just wanna be myself, myself
Hurts me to know that you're with someone
If you ever fall I'm planning to catch you
With my hands, with my hands
Love you, I need you and I
Can't live without you in my world, my world
Woman I love you, I need you and I
Can't live without you in my world, my world
Songs of joy it makes me sing
Tears of joy she makes me cry
Those funny feeling she giving me inside
Emotional, it's taking over me
It's all because of you
Girl I know you love me too
Don't hide your feelings girl
Let it show my dear
It's just singing for two
Can I play with you girl?
Can I play with you, you?
Can I play with you, you?
It's just a game for two, ooh
Girl I know, girl I know
That I need you, I love you and I
Can't live without you in my world, my world

Woman I love you, I need you and I
Can't live without you in my world, my world
When I said that I love you girl
Don't think I'm pretending
It's straight from my heart
With the message that I'm sending
I'm not like the rest of guys
Who hides their a feelings
I yah cure just wanna be myself
Hurts me to know that you're with someone
With someone, with someone
Hoping to catch you if you fall with my hands
With my hands, I love you and I
