

Mathilde

Pascal Gaigne

Momma, do you see what I see?
On your knees and pray for me
Mathilde's come back to meCharley, don't want another beer
 Tonight I'm gonna drink my tears
Mathilde's come back to meGo ask the maid if she heard what I said
 Tell her to change the sheets on the bed
Mathilde's come back to meFellas, don't leave me tonight
 Tonight I'm going back to fight
Wretched Mathilde's in sightMy heart, my heart, stop beating so
 Just make as if you didn't know
That Mathilde's come back to meMy heart, I don't want you to say
 She's lovelier than when she went away
Mathilde, whols come back to meMy heart, stop being overjoyed
 Remember you were once destroyed
By Mathilde, who's come back to meFellas, please don't go away
 Tell me that I mustn't stay
Mathilde's coming back todayMy hands, you'll start to shake again
 When you remember all the pain
Mathilde's come back to meYou'll want to beat her black and blue
 But don't do it, I beg of you
Mathilde's come back to meMy hands, remember all the years
 Remember when you caught my tears
Mathilde's come back to meMy hands, you'll want to touch her now
 But please try and be strong somehow
Mathilde's here, she's coming now, nowMomma, can you hear me yell
 Your baby boy's gone back to hell
Mathilde's come back to meCharley, champagne right away
 I know you've been saving it for the holiday
But Mathilde's come back to meGo ask the maid if she heard what I said
 Tell her to put the best sheets on the bed
Matbilde's come back to meMy friends, don't count on me no more
 I've gone and crashed through heaven's door
 My sweet Mathilde's here, once more, once more
