

# Open Me

## Peruquois

Would You open up eyes, so I can see  
Would You open up my ears, so I can hear  
Would You open up my mind, so I can know  
Would You open up my heart, so I can love You more I wanna serve You, my God  
I wanna give everything  
I wanna serve You, my King, yeah I wanna serve You, my Lord  
I wanna give You everything, yeah Would You open up eyes, so I can see  
Would You open up my ears, so I can hear  
Would You open up my mind, so I can know  
Would You open up my heart, so I can love You more I wanna serve You, my God  
I wanna give everything  
I wanna serve You, my King, yeah I wanna serve You, my Lord  
I wanna give You everything, yeah Here I am with my arms open wide  
Asking for You to come up, up inside  
Won't You make me new, won't You make me true  
Jesus, won't You make me like You, oh Will You touch my eyes, so I can see  
Will You touch my ears, so I can hear  
Will You touch my mind, so I can know  
Will You touch my heart, so I can love You more Won't You open me  
Won't You open me  
Won't You open me, yeah  
Won't You open me
