

I Choose Nothing (Ft. Scott Vogel)

Stick to Your Guns

[Intro]

Don't give yourselves to brutes, men who despise you
Enslave you, who regiment your lives, tell you what to do
What to think, and what to feel?!

Who drill you, diet you, treat you like cattle, use you as cannon fodder

Don't give yourselves to these unnatural men
Machine men with machine minds and machine hearts
You are not machines, you are not cattle, you are men
You have the love of humanity in your hearts

You don't hate, only the unloved hate, the unloved and the unnatural[Verse 1]

I see the way you all suffer the same
Tryna see and [?] there's no other way
I hate how you stuck this in my face
Day after day after day after fucking day
Fuck the way you try to take my world

Black and white

I won't let you break the color from my life[Chorus]

I choose nothing

I choose no one

I rather lose than ever be like you!

There's always a way

Nothing, no-one

I refuse to hold your smoking gun

I'd rather lose than rather be like you

There's always a way, always a way, always a way![Verse 2]

I don't live my life with your made-up rules

I can't id the fault with your twisted views

No-one dictates my life for me

Don't even try! You will never understand me

Don't wish you would try

Waste your time![Chorus][Bridge]

I'd rather fuckin' rot than ever be like you

I will never be like you

I will never be like you

The choice is yours, but you chose to [?]

Never give up giving, not gonna quit

The choice is yours, but you chose to [?]

Head strong, heart built resistance
