Cough/Cool

Misfits

This street we walk upon
This corner full of piss and fearThis street won't bear it long
It slants, it tilts, it's brought outside
AliveCover your face when you walk by
Drench your visions in darknessSpit up blood when you cough
Cool, cool, cool
Cough, cool, cool, coolWe dine on visions with new eyes
Creep, creep, creep, creep
We cut our visions with two eyes
Cool, cool, cool, coolThis street we walk upon
This corner full of fear
This street we walk upon
This corner full of piss and fear
