Mudshovel (Live From The Family Values Tour 1999)

Staind

You take away
I feel the same
All the promises you made to me
You made in vain
I lost myself inside
Your tainted smile againYou can't feel my anger
You can't feel my pain
You can't fell my torment
Driving me insane
I can't fight these feelings
They bring only pain
You can't take away
Make me whole againI feel betrayed
Stuck in your ways
You rip me apart with the
Brutal things you say
Can't deal with this shit anymore
I just look awayYou can't feel my anger
You can't feel my pain
You can't fell my torment
Driving me insane
I can't fight these feelings
They bring only pain
You can't take away
Make me whole againMudshovelYou take away
I feel the same
All these promises
You promised only pain
If you take away
And leave me with nothing againYou can't feel my anger
You can't feel my pain
You can't fell my torment
Driving me insane
I can't fight these feelings
They bring only pain
You can't take away
Make me whole againYou will feel my anger
You will feel my pain
You will feel my torment

I'll drive you insane
I won't fight these feelings
I will bring you pain
I won't take away
I'll be whole again
