

An Owl Song

Alan Wilson

What would you think of me,
What would you think of me
If I told you that I loved you?
Wanna know

What would you think of me? I wanna thank you faro
Just for what you promised me.

I want to thank you faro
Just for what you promised me.

You know I trust you faro
When I tell the world I do.

You are a money-takin' woman
But you know that's alright with me.

You are a money-takin' woman
But that's alright with me.

'Cause you're the one baby

Been rollin' 'cross my mind. I can tell ya all my troubles,
'Cause I know that won't bother you.

I can tell ya all my troubles,
'Cause I know that won't bother you.

If I told you that I loved you
Wanna know

What would you think of me?
What would you think of me?
What would you think of me?
What would you think of me?

What would you think of me? I'm gonna tell ya that I love you
And maybe then we'll see.
