

# Only The Lonely

## The Motels

We walked the loneliest mile  
We smile without any style  
We kiss all together wrong  
No intention We lie about each other's drinks  
We live without each other  
Thinking what anyone would do  
Without me and you It's like I told you  
Only the lonely can play So hold on here we go  
Hold on to nothin' we know  
I feel so lonely  
Way up here You mention the time we were together  
So long ago well I don't remember  
All I know is it makes me feel good now It's like I told you only the lonely can play  
Only the lonely only the lonely can play Only the lonely only the lonely can play  
It's like I told you only the lonely can play  
Only the lonely  
Only the lonely can play
