

Saint Joe on the School Bus

Marcy Playground

Saint Joe, he said he's never been
Dressed up like a woman
Saint Joe, they said your dad was gay
They said your mom, she's a whore
They said it 'til you were raw And they said your mom she's a bore
They made her beg them for more
O' my aunt Mary, aunt Mary, aunt Mary says
They have the darkness there in, in their eyes Saint Joe, he said he's never been
Made up like a woman
Saint Joe, the time is coming when
When Mary never will return
And Mary never will come back here And Mary never will return
O' Mary please, come home
O' my aunt Mary, aunt Mary, aunt Mary says
They have the darkness there in their eyes O' my aunt Mary, aunt Mary, aunt Mary says
They have the darkness there
They have the family disease
They have the darkness there in their minds
