

# Long Distance Call

## Muddy Waters

You say you love me darlin'  
Please, call me on the phone sometime  
You say you love me darlin'  
Please, call me on the phone sometime  
When I hear your voice  
You ease my worried mind One of these days  
I'm gonna show you how nice a man can be  
One of these days  
I'm gonna show you just how nice a man can be  
I'm gonna buy you a brand, new Cadillac  
If you only speak some good words about me Hear my phone ringing  
Sound like a long distance call  
Hear my phone keep ringing  
Sound like a long distance call  
When I picked up my receiver  
The party said "Another mule kickin' in your stall"
