There's No Tomorrow

Tony Martin

There's no time for waiting,
No future to see,
Inside the next moment,
Nothing might be,
The answer is not certain,
No time to decide,
Is this the last curtain?
There's no place to hide.
There's no tomorrow,
There's no tomorrow,
There's no tomorrow,
There's only today.
We all know the story,
We've heard it before,
We end up no question,

Outside of death's door,
There's no easy answer,
To the question at hand,
So easy to ask,
And not understand.
There's no tomorrow,
There's no tomorrow,
There's no tomorrow,
There's only today,
There's no tomorrow,
There's no tomorrow,
There's no tomorrow,
There's only today.
There's only today.
