

# You Belong to the City

Glenn Frey

The sun goes down  
The night rolls in  
You can feel it starting all over again  
The moon comes up  
And the music calls  
You're getting tired of staring at the same four walls  
You're out of your room  
And down on the street  
Moving through the crowds through the midnight heat  
The traffic roars  
And the sirens scream  
You look at the faces, it's just like a dream Nobody knows where you're going  
Nobody cares where you've been 'Cause you belong to the city  
You belong to the night  
Living in a river of darkness, beneath the neon light  
You were born in the city  
Concrete under your feet  
It's in your moves, it's in your blood  
You're a man of the street When you said goodbye  
You were on the run  
Tryin' to get away from the things you'd done  
Now you're back again  
And you're feeling strange  
So much has happened, but nothing has changed You still don't know where you're going  
You're still just a face in the crowd You belong to the city  
You belong to the night  
Living in a river of darkness, beneath the neon light  
You were born in the city  
Concrete under your feet  
It's in your blood, it's in your moves  
You're a man of the street You can feel it  
You can taste it  
You can see it  
You can face it  
You can hear it  
You're getting near it  
You want to make it  
'Cause you can take it You belong to the city  
You belong to the night

You belong to the city  
You belong to the night  
You belong  
You belong
