Hope You're Happy

Lene Marlin

I can speak about the pain you know
What you say you didn't see
I can show you all my scars you know
The ones I keep inside of meWould that make it easier
Or would it be the sameSorry that I could not be
As perfect as you wanted me
Just wondering what's going on in your mind
I sure hope you're fine
I hope your conscience is clear
Hope you're happyI can tell about the times you know
When I wished to leave this world
I can read to you the letters I wrote
All the words you say you've never heardSorry that I could not be
As perfect as you wanted me
Just wondering what's going on in your mind
I sure hope you're fine
I hope your conscience is clear
Hope you're happySorry that I could not be
As perfect as you wanted me
Just wondering what's going on in your mind
I sure hope you're fine
I hope your conscience is clear
Hope you're happySorry that I could not be
As perfect as you wanted me
Just wondering what's going on in your mind
I sure hope you're fine
I hope your conscience is clear
Hope you're happy
