

# Driving Sideways

## Seppo Valjakka

At least you know you were taken by a pro  
I know just how you feel  
She talked a perfect game deflectin' all the blame  
You took the jack and changed the flat  
And got behind the wheelNow you're drivin' sideways  
    Taken in by the scenery  
    As you're propelled, along  
And your companion will not help you to navigate  
    For fear she may be wrong  
I fear she may be wrongAnd you will say that you're makin' headway  
    And put it in overdrive  
    But you're mistakin' speed for gettin' what you need  
And never even noticin' you never do arrive'Cause you're drivin' sideways  
    If you roll down the window you'll see  
    You're where you don't, belong  
And your companion will not help you to navigate  
    For fear she may be wrong  
For fear she may be wrongAnd you're powered by the hopeful lie  
    That it's just around the bend  
And when this by default comes screechin' to a halt  
    Let's hope that you know what to do  
To start it up againDrivin' sideways, hittin' scan on the radio  
    So she can sing along  
And she'll sit thinkin' you're gonna handle it  
    Until she's proven wrong  
    Until she's proven wrong  
    Until you prove her wrong  
        Drivin' sideways
