

# Slowing Down

## Seaway

We're slowing down and we're starting a fire.

It's out of control and we're losing desire.

There's no doubt in my mind that I have made you cry,  
Over stupid shit that I choose to do when I'm wasting all my time I know it hurts you so bad

To see the side of me you wish you never had.

But I can't change that, erase that or take it back.

I'll never hurt you again.

We'll always be more than friends.

But when the good seems to fade, like chalk washed out in the rain.

We'll bring each other down. Anything to make you frown.

But that's not how my mother raised me.

I think I've just been a coward lately.

I know it hurts you so bad

To see the side of me you wish you never had.

But I can't change that, erase that or take it back.

I'll never hurt you again.

We'll always be more...I took a chance and I think I made it. I always wanted to see you naked. I played my  
cards right, yeah I aced it. Oh how you tasted, I think we made it
