

# What's He Doin' in My World

Eddy Arnold

What's he doin' in my world?  
What's he doin' holdin' my world?  
If he's not more than just a friend  
    Why were you kissin' him?  
And what's he doin' in my world? What's he doin' in my world?  
    Did you tell him that you're my girl?  
        If your love is really true  
        Tell him my world's made for two  
What's he doin' in my world? Oh, don't let me keep on wonderin'  
    Just what you're gonna do  
    Wondering if the one I love  
Loves somebody new What's he doin' in my world?  
    We don't need him here in our world  
    So if it's true he's just a friend  
    Explain those kisses you gave him  
    And what's he doin' in my world?
