

Spirit

Ghost

Throw yourself
Into the smoke
Of possibilities Your clean noose
The apparatus
Force over ability
A gateway to secrecy Spirit, absent
Spirit, absent Seven seals
Devilish creatures
Confess the end of time Cloven hooves
And I save wormwood
Catapult to your mind
Into the chalice of death Spirit, absent
Spirit, absent There's no return
From this excursion
Of possibilities
You're at the center of fate Spirit, absent
Spirit, absent And none of this earth inherit
The expression of my spirit
