

Fish Out Of Water

[Nikki Cleary](#)

I let down my guard
And let you slay me
I showed you my heart
And now, I'm sorry
Head first into you
I fell in, too deep
Not much I could do
But watch you leave me
I've tried but I can't
Guess, I don't understand
The meaning of letting you go
I'm a heart with no beat
Fading fast by the hour
Flailing in circles
A struggle to breathe
Butterfly with no wings
A fragile wilting flower
Baby, without you it seems
I'm a fish out of water
Thought you were the one
I was dreaming
What I thought was love
Just left me empty
No turning back time
No more pretending
No rainbow inside
No happy ending
Though I try, I'm confused
Where to start without you
My world has been turned upside down
I'm a heart with no beat
Fading fast by the hour
Flailing in circles
A struggle to breathe
Butterfly with no wings
A fragile wilting flower
Baby, without you it seems
I'm a fish out of water
I've surrendered to the unconscious
You are the haze that grips my mind
I opened the flow gates, it hurts in slow motion
Baby, I'm running out of time
And I've tried, oh, oh
I'm a heart with no beat
Fading fast by the hour
Flailing in circles
A struggle to breathe
Butterfly with no wings
A fragile wilting flower
Baby, without you it seems
I'm a fish out of water
I'm a heart with no beat
Fading fast by the hour

I'm flailing in circles
A struggle to breathe
Butterfly with no wings
A fragile wilting flower
Baby, without you it seems
I'm a fish out of water
