

# Be Alone

## Paramore

So what if I don't have a lot to talk about?  
I shove my mouth and keep it locked until it comes  
And what if I don't ever want to leave my house?  
Stay on the couch while all my friends are going out  
You should be alone  
Yeah, you should be alone  
You should be alone with me  
We could be alone  
Yeah, we could be alone  
But never get too low on me  
I make the journey down the hall back to my room  
But you want time then let it ride inside in silence too  
See I ain't want to climb some social ladder too  
Some Shanghai-La's that all the cool kids will abuse  
You should be alone  
Yeah, you should be alone  
You should be alone with me  
We could be alone  
Yeah, we could be alone  
But never get too low on me  
We could be alone together  
Oh oh oh oh oh, Oh oh oh oh oh oh  
I'm alone, now I'm in love with you alone  
Oh oh oh oh oh, Oh oh oh oh oh oh  
Come be alone, I'll be in love with you alone  
Oh oh oh oh oh  
You should be alone  
Yeah, you should be alone  
You should be alone with me  
We could be alone  
Yeah, we could be alone  
But never get too low on me  
You should be alone  
Yeah, you should be alone  
You should be alone with me  
We could be alone  
Yeah, we could be alone  
But never get too low on me
