## **Coldplay**

You're so sweet, your smile Your pussy and your bones You're on fire, you move me Like music with your styleLet me think (And you think about what?) About girls

(And what else?)

And money, and new clothes (And what do I get?) Thirty nights

(Uh huh)

Of violence

(Yeah)

And sugar, to loveCome here come here Closer to the lung

So I can, I can

Shove her over railing You're sweet but I'm tired

Of proving this love

See you're a bore but you move me

Like a movie that you loveLet me think

(And you think about what?)

About girls

(And what else?)

And money, and new clothes

(And what do I get?) Thirty nights

(Uh huh)

Of violence

(Yeah)

And sugar, to loveCome here come here

Closer to the lung

So I can I can

Shove her over railingLet me think

(And you think about what?)

About girls

(And what else?)

And money, and new clothes (And what do I get?) Thirty nights

(Uh huh)

Of violence

(Yeah)

And sugar, to love
(Fuckin' rock star)Come here, come here
Closer to the lung
Come here come here
Closer to the lung
So I can I can
Shove her over railing
