

When You Dance You Can Really Love

Neil Young

When you dance
Do your senses tingle and take a chance?
In a trance
While the lonely mingle, with circumstance?I've got something to tell you, you make it show
Let me come over, I know you know
When you dance, I can really loveI can love, I can really love, I can really love
I can love, I can really love, I can really loveLike a mountain that's growing a river that rolls
Let me come over, I know you know
When you dance, I can really loveWhen you dance
Do your senses tingle and take a chance?
In a trance
While the lonely mingle, with circumstance?I've got something to tell you, you make it show
Let me come over, I know you know
When you dance, I can really love
