## **Prodigal Blues**

## **Billy Idol**

Ridin' my life, like a run-a-way train

Moving from one track to that

Howlin', cryin', screamin' at the moon

Only my voice came back

Only the echo came backWhen I was a boy

Daddy told me, grow tall

Yes and Billy don't crawl

Taught me how to ride

Set me out on my own and I never came backAnd yes, I'd do it again

Oh, wouldn't you

Yeah, I'd do it again

A-huh, oh yeah

Do it again, baby

Wouldn't you? Remember when I lied

Just when you needed me

Now I sit alone and cry

'Cos now I believe in mercyRemember when I lied

Just when you needed me, baby

I believe in mercyRidin', walkin', lookin' so cool

Guess I crossed over the borderline

Treated like a dunce

Who just can't read

Did I fool me too? And yes, I'd do it again

Oh, wouldn't you?

Yes, I'd do it again

Aha yeah, I'd do it again

Baby, wouldn't you?Remember when I lied

Just when you needed me

Now I sit alone and cry

'Cos now I believe in mercyRemember when I lied

Now that you needed me

Yes, I believe in mercyI said, "Come here"

Look into my face

And hear into my heart

Hesitation could re-arrange

The other side to your loveTake hold now baby

And take what

Other lovers have not

Times is changin' will they re-arrange

The other side to your loveNo, woah, woah, woah, yeah

WooCome home

Here he is impatient one

Come home

Come home

Tell the storyCome home

Here he is

The impatient one

Come home

To claim a gloryProdigal son

Come home

Prodigal bum

Come home

Prodigal sonProdigal son

Come home

To claim a glory

Prodigal son

Come homeProdigal bum

Here he comes

Yeah, that prodigal son

Ooh, he's the one

To tell his storyC'mon to tell his story

C'mon to tell his story

C'mon to claim his glory

Prodigal son
