Ali Dee and The Deekompressors

Here he comes
Here comes Speed Racer
He's a demon on wheels
He's a demon and he's gonna be chasin' after someoneYeah! Whoo!
Feel so good behind this wheel
Get my stomach turning
Speed Racer
Hit the gas
Smell the rubber burninVroom!
Gotta get with him, he's the top prize
How can I not love him
When he's better than the bad guys?I gotta zoom!
Lady, so gimme room!
Baby you hear the boom!
There's no need to wonder whomWill it be when I be zippin' and dippin'
I got you trippin' magnificent
If you're in a predicament
Know that danger is imminent
Hey!He's off and flyin' as he guns the car around the track
He's jamming down the pedal like he's never coming back
Adventure's waiting just aheadGo Speed Racer
