

# Amen, So Be It

**John Moreland**

So your heart is not a souvenir  
Singing from behind a sad veneer  
And tell me, did you lose your calling card?  
When they brought the gavel down so hard Well it takes a long time to get it back  
The bread you paid and the breadth you lack Amen, so be it  
Amen, so be it  
Amen, so be it  
Amen So they're pulling all the stops out  
You better start pulling all the props out  
And hope nobody has a sharpened word  
For such a precious little bluebird  
Lord, it takes a handshake to do it right  
The friends you lost in the wars you fight
