Rock 'n' Roll Never Looked so Beautiful

Semi Precious Weapons

Sometimes you go to sleep in your makeup
Sometimes you take off your pants when you wake up
Sometimes you walk a bridge in your girl shoes
It's OK if you're late 'cos they will always love you.Sometimes I dream so big
My life just seems so boring
Rock 'n' roll never looked so beautiful
Rock 'n' roll never looked so beautiful.Sometimes you bleach your head till it burns
Sometimes your friends tag team and take turns
Sometimes you walk a bridge at midnight
'Cos when you're broke walking ain't just for the transit strike.Sometimes I dream so big
My life just seems so boring
Rock 'n' roll never looked so beautiful
Rock 'n' roll never looked so beautiful.Sometimes I cry cos it makes my eyes look bluer
Sometimes I bleed cos red is a good color for me.Put me in a see-through coffin
And stuff me up with mink stole stuffin'
Put me in a crystal casket
Before they mix diamonds into my ashes.
Dance around my body
Just 'cos I'm dead don't kill the partyRock 'n' roll never looked so beautiful
Rock 'n' roll never looked so beautiful.
