

# Sexy As Hell

Sarah Connor

you're sexy as hell  
gimme your love  
gimme your love  
while recording  
gimme your love  
gimme your love  
i cant hold it back  
you`re sexy as helli wanna sing about all the things  
that we think about but is not happenin  
i wanna take u to another place  
wanna dance all night  
wanna feel the bass  
pumpin in my body now  
somethin that will make me loud  
dont stop till i scream it out  
i cant hold it backi m trippin because  
i m cravin your love  
u got me to sing  
i want it want it  
i m trippin because  
i m cravin your love  
u got me to sing  
i want it want ityou`re sexy as hell  
gimme your love  
gimme your love  
while recording  
gimme your love  
gimme your love  
i cant hold it back  
you`re sexy as hellu need to make it stop  
i m not allowed to touch  
i want it way too much  
your body and your mind  
u do it everytime  
u make me cross the lineyou`re sexy as hell  
gimme your love  
gimme your love  
while recording  
gimme your love

gimme your love  
i cant hold it back
