

I Can't Stop Loving You (Re-Recorded Version)

[Kitty Wells](#)

I can't stop loving you so I've made up my mind
To live in memory of old lonesome times
I can't stop wanting you it's useless to say
So I'll just live my life in dreams of yesterday Those happy hours that we once knew though long ago they still
make me blue
They say that time heals a broken heart
But time has stood still since we've been apart
I can't stop loving you
