

I'll Show You

Justin Bieber

Verse 1:

My life is a movie and everyone's watching
So let's get to the good part and past all the nonsensePre-Chorus:

Sometimes it's hard to do the right thing
When the pressure's coming down like lightning
It's like they want me to be perfect
When they don't even know that I'm hurtingChorus:
This life's not easy, I'm not made out of steel
Don't forget that I'm human, don't forget that I'm real
You act like you know me, but you never will
But that's one thing that I know for sure

I'll show you

I'll show you

I'll show you

I'll show youVerse 2:

I got to learn things, learn them the hard way
To see what it feels like, no matter what they sayPre-Chorus:

Sometimes it's hard to do the right thing
When the pressure's coming down like lightning
It's like they want me to be perfect
When they don't even know that I'm hurtingChorus:
This life's not easy, I'm not made out of steel
Don't forget that I'm human, don't forget that I'm real
You act like you know me, but you never will
But that's one thing that I know for sure

I'll show you

I'll show you

I'll show you

I'll show you

This life's not easy, I'm not made out of steel
Don't forget that I'm human, don't forget that I'm real
You act like you know me, but you never will
But that's one thing that I know for sure

Outro: Acoustic:
