

# Spirit Side Dreaming

## Solution .45

Burn if the days of true  
The remains all of all we know (despair)  
Burn the other side, to the once stop running inWhat if we set the scene (the scene)  
To break away thoughts in my hands to pieces  
Confined to this forever  
Come from beyond the other side  
It's now breaking through  
Spirit side dreams of lifeMy life, the story has told  
My ascending is shipping crowd (crossing)  
The fact by the life  
Spirit side dreaming  
Controlling usWhat if we set the scene (the scene)  
To break away thoughts in my hands to pieces  
Confined to this forever  
Come from beyond the other side  
It's now breaking through  
Spirit side dreams of life
