

Night Life (With Ray Price)

Willie Nelson

When the evenin' sun goes down
You will find me hangin' 'round
The night life, ain't the good life
But it's my life Many people just like me
Dreamin' of old used-to-be's
And the night life, ain't no good life
But it's my life Listen to the blues that they're playin'
Listen what the blues are sayin' Life is just another scene
From the orld of broken dreams
Oh, the night life, ain't no good life
But it's my life
