

Multiply (In a Minor Key - Piano by Gonzales)

Jamie Lidell

Well showing as it used to be
So hard
This hard
I used to get those kicks for free
But now I'm towing the line
OoooThis ain't no way to be
Stuck between my shadow and me
Could it been the sun don't shine
But I'll tell you that I'm doing fine[Chorus]
I sometimes I don't go beating myself
Beating myself up
Gonna take a trip and multiply
Please go under with a smileShowin' how it used to be
Real trouble
So much trouble
But love is just a shackle I see
Coming out of my mind oohThis ain't no way to be
Just stuck between my shadow and me
The sun's going down
It's getting dark in here
Still folks see:
I got nothing to fear[Chorus]People on the street
There are many many
People on the moon they're ain't any any
Shame, yeah, ooh
Running down the same old cold
Taking it down 'cause I no con goneI'm so tired [Repeat x13]
SoooooooI'm so tired over beating myself
Beating myself up
Wanna take a trip and multiply
Please go under with a smile
