

Days Gone Down (Still Got The Light In Your Eyes)

Gerry Rafferty

[Chorus]

Shine a light, shine it bright on the days gone down

Shine a light, shine it bright on the days gone down

Shine a light, shine it bright on the days gone down

Shine a light, shine it bright on the days gone down You still got that light in your eyes

And our day is comin' by and by

I'm jailed on this long road here with you

We still gotta long way

We still gotta long way to go The first time I set eyes on you

I listened to you sing, yeah yeah

We didn't have to speak

'Cause the words said everything

Yes, you walked right into my life

And we were on our way, yeah

So long ago

But it feels like yesterday And I just want to tell ya... Shine a light, shine it bright on the days gone down

Shine a light, shine it bright on the days gone down

Shine a light, shine it bright on the days gone down We won't forget the days gone down

They're written in our hearts, yeah yeah

And we're as much in tune as we were right at the start

It all seems so much harder now

It seemed so easy then, yeah yeah

Well, someday just for fun we might do it all again I just want to tell ya... You still got that light in your eyes, yes
you do

And our day is comin' by and by

I'm jailed on this long road here with you

We still gotta long way

We still gotta long way to go Shine a light, shine it bright on the days gone down

Shine a light, shine it bright on the days gone down

Shine a light, shine it bright on the days gone down

Shine a light, shine it bright on the days gone down
