

Lean On Me (Single Edit Version)

Bill Withers

Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrowLean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean onPlease swallow your pride
If I have faith you need to borrow
For no one can fill those of your needs
That you won't let showYou just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean onLean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean onYou just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean onIf there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your loadIf you just call me (call me)
If you need a friend (call me) call me uh huh(call me) if you need a friend (call me)
If you ever need a friend (call me)
Call me (call me) call me (call me) call me
(Call me) call me (call me) if you need a friend
(Call me) call me (call me) call me (call me) call me (call me) call me (call me)
