Bloodlines

An Early Ending

If I Fail
To Make It Back Here AliveTell Me Something
That Me And You Will SurviveThat Would Carry
Long After Our Time Is GoneChange Us Back
Make Us OneChange Us
Make Us OneChange Us
Make Us OneChange Us
Make Us OneChange Us
Make Us OneAnd All You Hear Me Say (choir)This Is The Last Time
To Lose The Shame Held In Our HandsNo Time To Say Goodbye
So Close Your Eyes Don't Say GoodnightLies! (scream!)If You Fail
To Ever ReturnWill The Wait
Be Worth More Then The TurnOr The Time
It Takes Honor That You EarnOr Is Hate..
A Lesson We Can't UnlearnOr Is Hate A Lesson We Can't UnlearnOr Is Hate A Lesson We Can't UnlearnThis Is The Last Time
To Lose The Shame Held In Our HandsNo Time To Say Goodbye
So Close Your Eyes Don't Say GoodnightLies! (scream!)So Forget What's Lost
No Price Could Pay The Final CostThe Blood That Ties Our Lines
Isn't Enough To Stop Our LiesTo Stop Our LiesOceans Swallow Time...
In Their FloodOceans Swallow Time ...
In Their FloodOceans Swallow Time, In Their Flood
In Their FloodOceans Swallow Time, In Their Flood
In Their FloodOceans Swallow Time, In Their Flood
In Their FlooooodOceans Swallow...
This Is The Last TimeTo Lose The Shame Held In Our Hands
No Time To Say GoodbyeSo Close Your Eyes Don't Say Goodnight
So Forget What's Lost
No Price Could PayThe Blood That Ties Our Lines
Isn't Enough To Stop Our LiesOceans Swallow Time, In Their Flood
In Their FlooooodOceans Swallow Time, In Their Flood
In Their FlooooodOceans Swallow Time, In Their Flood
In Their Floooood
Oceans Swa***BEEP!***
