

# Rescue

Ellie Holcomb

Look at all the broken pieces all around me  
Pieces deep inside my soul  
I don't know what's real, can't help the way I'm feelin  
All I know is I'm alone I need a rescue, I need a reckoning  
From all the things I've done and have been done to me  
I need revival, I need recovery  
I need to know that there's an answer for what's missing  
Cause something's missing  
Oh, Cause something's missing, woah Turn up all the music, something to amuse me  
Silence is a lonely friend  
If you really knew me, could you really love me  
Save me from this loneliness I need a rescue, I need a reckoning  
From all the things I've done and have been done to me  
I need revival, I need recovery  
I need to know there's an answer for what's missing  
Cause something's missing  
Woah, Cause something's missing, woah It's like I feel into a hole to deep climb out  
And I looked up to the sky and saw you reaching down  
Reaching down You are the rescue, You are the reckoning  
From all the things I've done and have been done to me  
You are revival, You're my recovery  
I know that You're the answer for what's missing.  
Because You love me, woah  
Because You love me, woah  
Because You love me, woah  
Because You love me
