

Same Love

Mary Lambert

She says I smell like, safety and home,
I named both of her eyes, forever and please don't go,
'Cause I know this kind of love, I've been here before
It's good for a while 'till she walks out the door And I can't change, even if I tried, even if I wanted to,
And I can't change, even if I tried, even if I wanted to,
My love, my love, my love, my love,
She keeps me warm, she keeps me warm,
She keeps me warm, she keeps me warm, What's your favorite word? Do you like kissing girls?
Could you stand to date a vegetarian?
Would you hold me close? Could you kiss my nose?
Can I call you baby?
Yeah.. Yeah..
She says that people stare.. 'Cause we look so good together,
Yeah.. And I can't change, even if I tried, even if I wanted to,
And I can't change, even if I tried, even if I wanted to,
My love, my love, my love, my love,
She keeps me warm, she keeps me warm,
She keeps me warm, she keeps me warm, Love is patient, Love is kind,
Love is patient, Love is kind,
(Not crying on Sundays, Not crying on Sundays,
Not crying on Sundays, whoa)
Love is patient, Love is kind,
Love is patient, Love is kind
