

Hot Thing (Jim Sharp Remix)

[Talib Kweli](#)

Yeah, special dedication.

I'm sending this one out to you and you and you and you

I said to you and you and you Cold blooded, I love how we meltin' the ice

You like the sunshine of my life

Cause all I see is a hot thing, you my hot thing, you my hot thing Word, you keep my dark sky lit up at night

So bright that your blindin' my sight

Cause all I see is a hot thing, you my hot thing, you my hot thing Word, your body like a flick, it got surprising
twists

I write the script, the main character
