

Donde Vas

Loona

All the time
We are lookin for some happiness in life
We never know how close it is
So we try to look in every corner of our mind
We shouldn't look so far cause
The sun is always there to fill our days with a little smile
Even after darkness the sun will shine
Donde vas, principe sol
Viajando por la noche
Amaneciendo en otro lugar
Donde vas, donde vas
Sol de mis colores
Quiero verte un dia mas, un dia mas
Don't give up
Cause the power to survive you find inside
Never loose your own belive and hold on
Even when the things you do they all go wrong
Lived your life head up high cause
The sun is always there to fill our days with a little smile
Even after darkness the sun will shine
Donde vas, principe sol
Viajando por la noche
Amaneciendo en otro lugar
Donde vas, donde vas
Sol de mis colores
Quiero verte un dia mas, un dia mas
