Stuck In My Heart

C21

You are stuck in my heart
Like counting a million stars
For that many reasons you areCant you tell?
Youve been all over me like a spell, I know
(That I never wanna let you go)Cant you see?
Youve been changing the world around me - I know
(That I never wanna let you go)If you hold me close enough
I can whisper you the words
If the distance is too far
I cant do nothing 'cuzYou are stuck in my heart
And we can go anywhere
Whatever the reason you are
So stuck in my heart
Like counting a million stars
For that many reasons you areCant deny
Since I met you that day Ive been blind to see
(Now I wanna know for real)Inside me
Im afraid to wake up from a dream and see
(It never really happened to me)If you hold me close enough
I can whisper you the words
If the distance is too far
I cant do nothing 'cuzYou are stuck in my heart
And we can go anywhere
Whatever the reason you are
So stuck in my heart
Like counting a million stars
For that many reasons you areLike a dream so deep inside of me
You are the reason that I never sleep
You are stuck in my heart
You areCant you tell?
Youve been all over me like a spell
(I will never let you go, I will never let you go no, no)Cant you see?
Youve been changing the world around me
(I dont wanna let you go, no Ill never let you go no, no)I can't do nothing 'cuz
You are stuck in my heart
And we can go anywhere
Whatever the reason you are
So stuck in my heart
Like counting a million stars

For that many reasons you areAre stuck in my heart
And we can go anywhere
Whatever the reason you are
So stuck in my heart
Like counting a million stars
For that many reasons you are
