Lies (Tourist Remix)

CHVRCHES

Faster, faster, you won't go far
Shouldn't leave, feeling faint, we both know why
You got to show me, both knees, cold I lie
Hold me, slowly, hide me, 'til I can fightAlways, we can sing, we can make time
Old songs, flood and flame, you could be mine
But you got to show me, both knees, skin and bone
Clothe me, throw me, move me'Til I can sell you lies
You can't get enough
Make a true believer of
Anyone, anyone, anyoneI can call you up
If I feel low
I can feed your dirty mind
Like I know, like I know what you wantIcon of symmetry, swallowing sides
Fall down in front of me, follow my eyes
But I got to see you moving, waste no time
Teach me, make me holy'Til I can sell you lies
You can't get enough
Make a true believer of
Anyone, anyone, anyoneI can call you up
If I feel low
I can feed your dirty mind
Like I know, like I know what you wantAnyone, anyone, anyone
Anyone, anyone, anyone
Like I know, like I know what you want
Like I know, like I know what you wantI can sell you lies
You can't get enough
Make a true believer of
Anyone, anyone, anyoneI can call you up
If I feel low
I can feed your dirty mind
Like I know, like I know what you want
