Groundbreaking

I wake up all alone,
I've been here on my own.
And people pass me by and don't notice anything,
anything.This isn't right
This can't be fair,
To lose someone before their time is here,
but show me a light
and I'll be right there.
The world is cruel
but i'm someone who cares.
I know the earth is hard to live on
I know.
But can you find something to live for
please don't go.And this isn't right
And this isn't fair,
To lose someone before their time is here.
Nut show me a light
and I'll be right there
the world is cruel but i'm someone who cares.
I know the earth is hard to live on
I know.
but can't you find something to live for
please don't go..
