I Will Exalt the One

Sonicflood

What can I say?
What can I do?
What can I bring to offer You?There is no gold, no precious pearl
Nothing on earth, that compares to You
Lord, here I stand
With empty handsI will exalt the one who lifted me
Out of the miry clay to heights of eagle's wings
Words cannot express, all I know is this
Youve changed me, Youve changed meI can remember how I used to be
I was so bound but now Im free
I will exalt the one who lifted meWhat can I say?
A father like You
A love that is strong, gentle and true
You draw me close, just like a childSafe in Your arms
There is no doubt
This is my place
This is my wayI will exalt the one who lifted me
Out of the miry clay to heights of eagle's wings
Words cannot express, all I know is this
Youve changed me, Youve changed meI can remember how I used to be
I was so bound but now Im free
I will exalt the one who lifted meI will exalt the one who lifted me
Out of the miry clay to heights of eagle's wings
Words cannot express, all I know is this
Youve changed me, Youve changed meI can remember how I used to be
I was so bound but now Im free
I will exalt the one, I will exalt the one
I will exalt the one who lifted me
