

# Dance All Night

## The Dirty Heads

You better dance all night  
You gonna make it right  
Until we all fall down, we all fall down  
'Cause it's you that I've been missing  
You better dance all night  
You gonna make me right  
Until we all fall down, we all fall down  
'Cause it's you that I've been missing  
Top of the world, peak of my high  
Don't look now I just took flight  
Apocalypse now, we own the night  
Got two choices surf or fly  
Skate or die, sink or swim  
Crash or fly, look within  
I do not let this bullshit phase me I see lights and I go crazy  
Cool is the wind, dark is the sky  
Blackbird sings in the dead of the night  
Take these broken joints and get high  
Take your worries kiss 'em goodbye  
Tonight has been so amazing  
I see you and I go crazy  
You put me into this trance  
I hear music lets dance  
We ain't gonna stop now, dancing on top  
We ain't gonna stop now, no  
You better dance all night  
You gonna make it right  
Until we all fall down, we all fall down  
'Cause it's you that I've been missing  
You better dance all night  
You gonna make me right  
Until we all fall down, we all fall down  
'Cause it's you that I've been missing  
I be bold like a leopard, fierce like a lion  
Like an eagle flying across the sky, and they wonder why  
When they ponder on the creation of his majesty  
I believe in we, I believe in you and me  
As we swim upon the ocean, swim on the sea  
Won't you please come with me, running up into the hills  
And the trees we can fall down through the tumbleweeds  
I will be our king, you will be my kingdom  
I will promise to sing them  
You better dance all night  
You gonna make it right  
Until we all fall down, we all fall down

'Cause it's you that I've been missing  
You better dance all night  
You gonna make me right  
Until we all fall down, we all fall down  
'Cause it's you that I've been missing You know were gonna act like there's one last day  
And you don't have to ask 'cause you know I'm gonna say  
Make it one more round, yeah one more round  
You know we're gonna act like there's one last day  
And you don't have to ask 'cause you know I'm gonna say  
Make it one more round, yeah one more round You better dance all night  
You gonna make it right  
Until we all fall down, we all fall down  
'Cause it's you that I've been missing  
You better dance all night  
You gonna make it right  
Until we all fall down, we all fall down  
'Cause it's you that I've been missing You better dance all night  
You gonna make it right  
Until we all fall down, we all fall down  
'Cause it's you that I've been missing
