Pig

Steve Vai

Advisory - the following lyrics contain explicit language:

Seweeee!!!Why try to hide?
Runnin' ain't about to gonna do anything for you my little oneOh they try to get inside of me, why do they bother anyway?
We mustn't worry, anythingTell me what you see, pig, are they here?
I'll rip and slaughter he who takes my pig from mechorus:
Here little piggy go, pig! live in muck, I love my pig!
Those filthy little lovers, piggy pigs! liberate! see my big panic!Sicker than I've ever been, when I see myself inside of you
But, I love you, my crude flesh, stain my tongue with your mess
Suckle, suckle, oh, gross, it's the roast(chorus)(solo)I'll save you!
